## WHAT ARE THE SCHOOLS' STRENGTHS AND POINTS TO IMPROVE?

### BEST FEATURES OF THE SCHOOL

- Highly effective leadership, supportive governors and very engaged parents delivering a very inclusive school
- The excellent facilities and the innovative approach to curriculum design
- The exceptional personal and social development demonstrated by students and the high academic standards which they achieve

### POINTS TO IMPROVE

- In all lessons, ensure that teacher sufficiently challenge the most able students
- Identify and share best practices across the school in key teaching skills, including questioning to promote students' critical thinking
- Ensure that all teachers always make the best use of assessment data to personalise learning for students

## WELLBEING

THE QUALITY OF WELLBEING PROVISION AND OUTCOME IS AT A HIGH LEVEL

The school's approach to promoting well-being is excellent. The well-being of staff and students is a priority and embedded in everything that the school does. The community has the feel of an extended family. The school's values are clear and the vision of leaders is underpinned by the nurturing of a culture of happiness, high aspirations and celebration.

## PROGRESS IN KEY SUBJECTS AND INCLUSION

This is a rapidly improving school. Progress in almost all subjects is at least good across all four phases and in most subjects. Provision for the inclusion of students of determination is very strong. In the middle and secondary phases, aspects of attainment in Islamic education and Arabic remain acceptable but are improving. Students make the best progress when teachers provide more opportunities for them to think critically and to engage more openly in discussion about their learning.

## LEADERSHIP AND TEACHING FOR EFFECTIVE LEARNING

The principal is a transformational leader. She has led this school on a rapid journey of improvement over the past three years. With her excellent vice-principal and other very strong senior leaders she is building a very strong team of leaders and managers with a very high capacity for continued improvement. A very strong governing body supports the school well.

Teaching is strong in almost all areas of the curriculum. In some areas it is very strong. Standards of teaching in Islamic Education and Arabic are strong in the primary phase and steadily improving elsewhere. Students' learning skills are very good because of good teaching and their own very positive attitudes to learning.
