Principal's Message

A New Term, A Fresh Opportunity to Grow

Dear Parents,

It is wonderful to welcome our Amity family back after the summer break.

The return of familiar faces, the arrival of new students and the renewed energy across our classrooms and corridors have brought our school to life once again.

As we begin this new term, the central message we have shared with our students is simple: growth, not perfection.

Students do not need to return with everything figured out, nor do they need to get everything right the first time. What matters is their willingness to be curious, embrace challenges, learn from mistakes, persevere and become a little better each day. Progress, rather than perfection, is what creates meaningful learning.

This journey is also closely connected to wellbeing. Children learn best when they feel safe, valued, supported and happy. We therefore remain committed to creating a positive and inclusive environment where students feel a genuine sense of belonging, can express themselves confidently, build healthy relationships and approach learning with enthusiasm.

Together, as parents and educators, let us celebrate not only achievement, but also effort, resilience, curiosity, kindness and personal growth.

To our returning students, welcome back; and to our new students and families, a very warm welcome to Amity.

Here's to a term of purposeful learning, joyful experiences and continued growth.

One School. One Planet. Amity Leads." Trees saved this week: 108.14 trees"

Kapil Chaudhary
Principal, Amity School Dubai

A Warm Welcome Back!

We were thrilled to welcome our little learners back to school with warm hugs, bright smiles, and exciting activities!

Children enjoyed reconnecting with their friends and teachers while sharing their favourite summer stories and memorable adventures. Through fun conversations, playful activities, and laughter, everyone had a wonderful time settling back into the classroom routine. It was heartwarming to see our children return with confidence, enthusiasm, and lots of happy stories to share!

A Busy Week of Learning in Kindergarten!

Kindergarten was buzzing with excitement as our children enjoyed a week filled with learning and fun!

We recapped our phonics sounds, explored numbers, and began learning about the map of the UAE. Our little learners also enjoyed their Arabic classes, energetic dance and PE sessions, and exciting Computer Science and Technology lessons.

Through our reading sessions and hands-on activities, children continued to build their skills while learning through play, movement, and exploration!

And Just Like That, Amity Came Alive Again! Welcome Back to School

At Amity School Dubai, our school truly comes alive when our students walk through the gates; bringing with them their infectious laughter, boundless curiosity, bright smiles and an energy that fills every corridor and classroom. They are not simply names on a register; they are the heartbeat of our community, the spark behind our purpose and the reason our campus feels like home.

After the summer pause, there was an undeniable sense of excitement as familiar faces reunited and new stories began to unfold. Our first days back were filled with joyful icebreakers, animated conversations, summer stories, shared adventures, playful challenges and plenty of laughter. From excited reunions to new friendships taking root, every moment was an opportunity to reconnect, rediscover one another and ease joyfully into the rhythm of a new term.

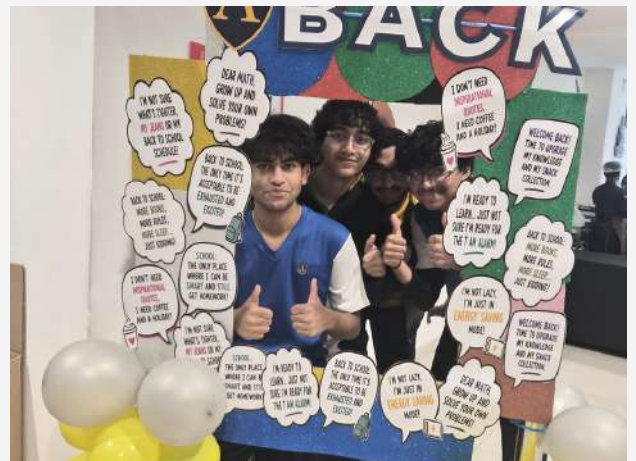

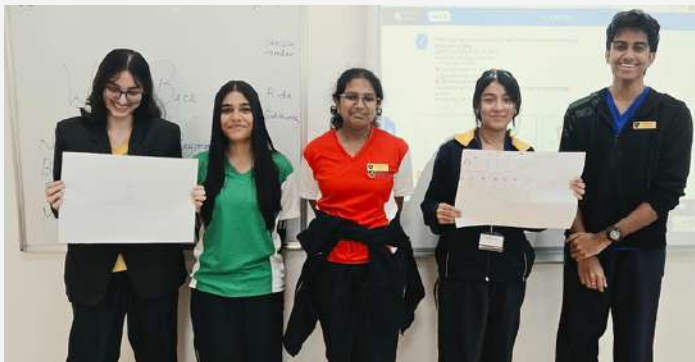

We wanted every student to feel, from the moment they arrived, “You were missed. You belong here. You matter.” And the smiles, laughter and enthusiasm that echoed around the school told us that the feeling was mutual!

At Amity School Dubai, teachers play a vital role in inspiring curiosity, building confidence, nurturing values, and helping every child grow. Teachers' Day gave our students a wonderful opportunity to recognise and celebrate the people who support and guide them throughout their learning journey.

A heartfelt thank you to all the teachers of Amity School Dubai for the energy, commitment, and care they bring to our school community every day.

Celebrating the Heart of Amity School Dubai

Teachers' Day at Amity School Dubai was celebrated with warmth, appreciation, and joyful moments as students came together to honour the teachers who make learning meaningful every day.

Across the school, students expressed their gratitude through thoughtful messages, warm gestures, and special moments of appreciation. The celebrations reflected the strong bond shared between students and teachers and highlighted the dedication, patience, and passion that our educators bring to their classrooms each day.

Nuwa's Achievement

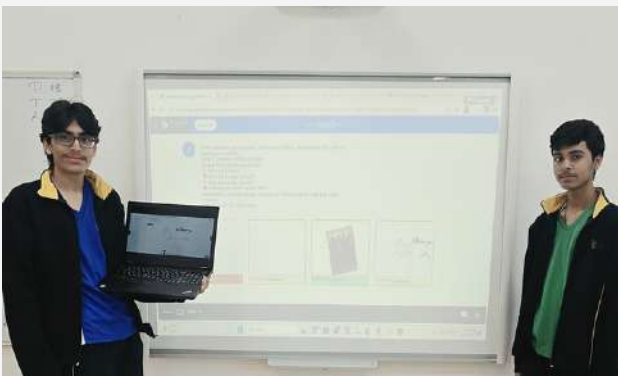

We are proud to celebrate **Nuwa** of Grade 3C for her remarkable achievements!

She recently published her first storybook, "So That They May Smile Again", which was launched in Kerala and received regional media coverage. She has also won a Commendation Medal at the International Level in the International Python Olympiad '26, representing Amity School Dubai.

We congratulate Nuwa and wish her continued success in her creative and academic journey!

One Spirit in one school - Amity School Dubai

Happy Teachers Day!
